### Introduction

Archipelago Partners provides investors access to international asset managers by promoting select traditional and alternative boutique managers' Funds and discretionary mandates into the Nordic countries. Archipelago Partners assist the investment managers with the marketing of their funds and managed accounts, and help servicing their clients.

### Services

Archipelago Partners arrange seminars and presentations allowing Nordic institutional investors to meet our select investment managers. Archipelago Partners arrange Nordic investor trips to the international investment managers we represent and provide communication as required. In addition, we provide Nordic investors with regular information about our investment managers' Funds and services.

Information provided by Archipelago Partners is not independent or investment advice. Archipelago Partners market our select international managers and provide information and service to Nordic investors acting as an extension of the investment managers' business development, marketing and client service teams. Archipelago Partners act on behalf of our carefully select asset managers and receive our remuneration from them. Investments are made directly in the asset managers' products and there is no formal business relationship between the investor and Archipelago Partners.
